Solar Panel (3W)

SP3

Overview

SP3 is a monocrystalline silicon solar panel with high charging efficiency and easy installation. It has an IP65 waterproof and dustproof rating, withstanding wind and rain for outdoor use. It supports Type-C interface, compatible with youkey battery cameras. It requires only 1 hour of direct sunlight per day to provide sufficient power for the camera, avoiding frequent recharging

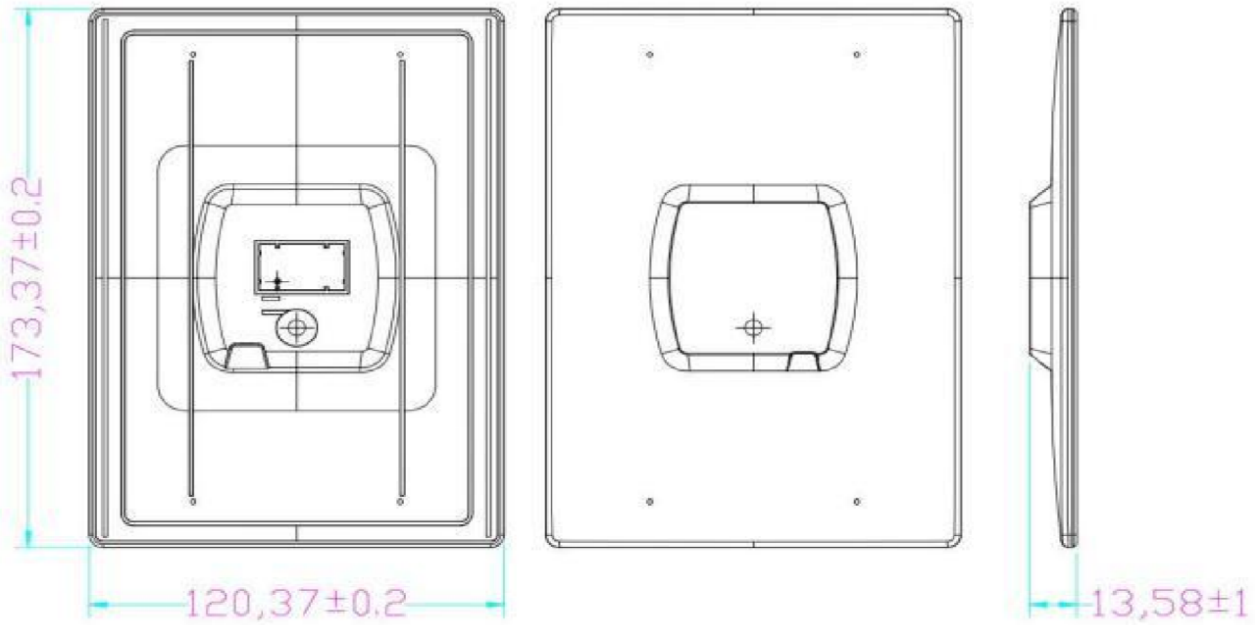

Features

- This 3W solar panel is made of monocrystalline silicon, offering a high solar conversion rate to provide uninterrupted power for your camera, avoiding frequent recharging
- The 360° adjustable bracket and 9.8ft power cable make it easy to choose a suitable installation spot and position the solar panel at any angle to fully utilize the sunlight
- The solar panel has an IP65 waterproof rating, ensuring resistance to harsh weather conditions
- The solar panel is compatible with all youkey battery cameras

Specifications

Model	**SP3**
Specification	
Operating voltage	5V
Peak power	3W
Cell conversion efficiency	19.5%
Operating temperature	-20 ℃ to 60 ℃ (-4 ℉ to 140 ℉)
Output interface type	Type-C
Ingress protection	IP65
Dimensions	173.37mm × 120.37mm × 13.58mm (6.8" × 4.7" × 0.5")
Weight	0.16kg (0.35lb)

Dimensions
