

Quick Installation Guide

Cloud L2+ Managed Outdoor Gigabit PoE Switch

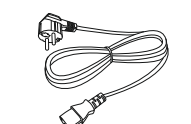

WI-PCMS310GF-O(V2)

www.wireless-tek.com

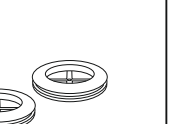

1.Packing Content

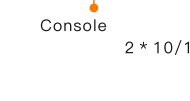

Switch x 1

Quick Installation Guide x 1

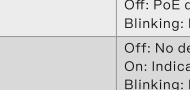

Power Cord x 1

Rubber Plug x 2

M36 Waterproof Gland x 2 (Optional)

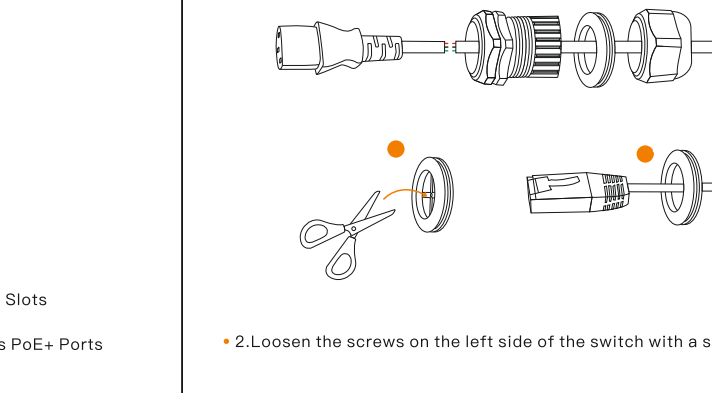

Metal Tie Accessory x 2

2. Appearance Overview

WI-PCMS310GF-O(V2)

- Front Panel

- LED Indicator and Button

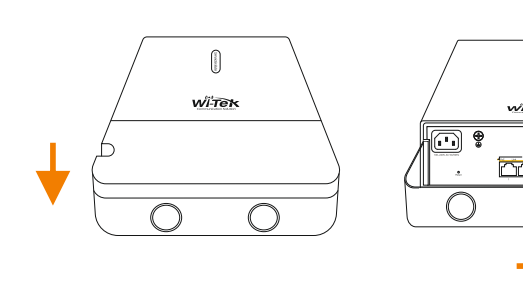

LED Indicator&Button	Description
PWR	Off: The device is power off or failed On: The device power on is normal
SYS	Blinking: The Device system is operating normally Off: Device system or power connection abnormality
PoE	On: PoE enabled Off: PoE disabled Blinking: Indicates the port is abnormal
Link	Off: No device is connected to the corresponding port. On: Indicates the link through that port is successfully established Blinking: Indicates that the switch is actively sending or receiving data over that port.
Reset	Hold for >5 sec. to restore factory default

3.Device Installation

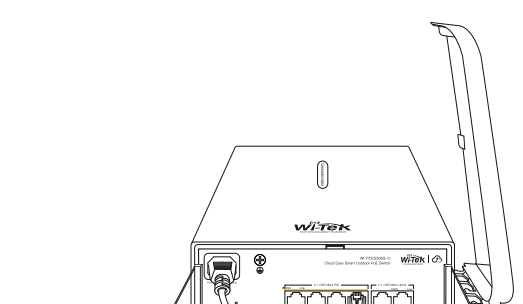

- 3.Slide down the front lower cover to open.

- Connection

- 1.Route the power cable and network cable through the sealing sleeve.

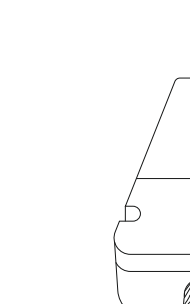

- 2.Loosen the screws on the left side of the switch with a screwdriver.

- 4.Screw the sealing sleeve to the round hole at the bottom of the switch and tighten it, Connect the power cable and network cables to the ports.

- 6.Check whether the installation is secure.

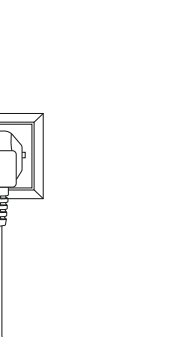

Note: It is recommended that the device be well grounded.

4.Installation

- Pole-mount

- Wall-mount

or

1

2

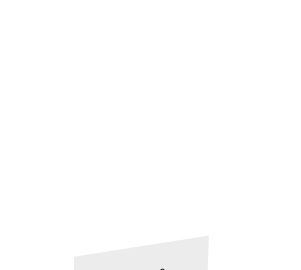

5.Login WEB UI

- Log in to the switch locally

Let the Switch obtain an IP address and then check the DHCP server to see which IP address was assigned.
The Switch is set to DHCP by default, so it will try to obtain an IP address automatically. If that fails, then it will use the default fallback IP address, **192.168.0.1**

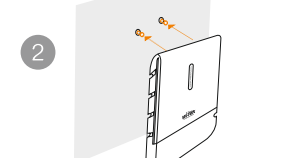

To log in, follow these steps:

1.Launch your web browser. Type the appropriate IP address in the address field.
2.The login screen will appear. In the factory state, the first login requires setting an account and password.

- Use the console cable to access the switch
